

# CUSTOMIZATION

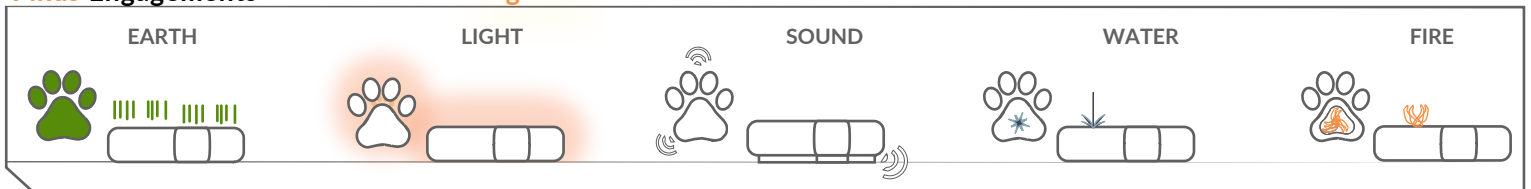

FOR PIKUSPRINTED PRODUCTS

## Pikus Senses - Options to engage the senses

## Pikus Engagements - Features for making a statement

## Pikus Structures - Integrated structural solutions

## PIKUS SENSES

- Our products can be easily scaled to any size. If the size exceeds 96"x96"x96" it may have to be shipped in multiple pieces.
- We can integrate embossing and debossing into the designs.
- Our versatile and modular designs can be combined in many different ways.
